Greene Naftali Gallery at Galerie Chantal Crousel: *Arrangement in Gray*

Rachel Harrison, Jacqueline Humphries, Monika Baer,
Jana Euler, Walter Price, Andy Robert, Gedi Sibony, Josef Strau

Greene Naftali Gallery, New York is pleased to present a group exhibition on the invitation of Galerie Chantal Crousel, Paris. The exhibition brings together the work of longstanding, critically acclaimed gallery artists Rachel Harrison, Jacqueline Humphries, Monika Baer, Gedi Sibony, and Josef Strau, with the new painting positions of Jana Euler, Walter Price, and Andy Robert.

The title *Arrangement in Gray*—taken from the Rachel Harrison sculpture included in the exhibition, which in turn follows from the well-known James Abbott McNeill Whistler painting *Arrangement in Grey and Black No. 1 (Portrait of the Artist's Mother)* (1871) held in the collection of the Musée d'Orsay—points to an engagement with painting and its myriad forms and histories, and explores the possibility of where art can sit in uncertain times.
